

AM Dismissal

SKILL students drop off and enter at door #4 at the rear of the building. All other students enter through door 1 beginning at 7:15am in the front of the school.

When entering the main driveway (in the front of the school), always enter the driveway in the far right lane. In the AM, we will at times have the second lane open. When the second lane is open you will see a sign indicating that it is open. If you do not see this sign, always remain in the far right lane. This is for safety reasons.

After school dismissal

*Early pickups from the front office will end at 2:45pm. If you need to pick up your child after 2:45pm, you will follow regular dismissal procedures.

*Please communicate to your child and your child's teacher how he/she will get home each day. This determines where students will go during dismissal procedures.

*For tomorrow, all parents without a pickup card, will need to show their ID. Please be patient because this may slow down the dismissal process.

*In addition, teen siblings from other campuses who are picking up their younger siblings from Waterford Oaks will also need to have a pickup card.

Parents picking up as car riders: You will enter the campus in the far right lane of the driveway, located at the front of the school. Please make sure that your pickup cards are visible. Your child will exit door #12 and will be escorted to your vehicle. Please do not exit your vehicle.

Parents who park and walk up: You will park on the north side of the school (near the gym) and walk up to door 7A to meet-up your child with your pickup card. To ensure safety for all, please park in a parking space. All pickup cards went home with students today, if you did not receive your cards; please contact your child's teacher tomorrow morning.

Daycare/SKILL: Daycare students will be waiting with teachers in the hallway at door #6 until the daycare van or bus arrives. SKILL will be at door #4.

Walkers: Children who walk home towards Waterford Oaks Drive will be dismissed from the south side of the school and escorted (by a teacher) down the sidewalk toward the pond to the crossing guard. Parents who walk to meet their children, may meet their children across the street near the pond. Students who live in the opposite direction will be escorted (by a teacher) to Redding Street. Parents of these students need to pick up down the side walk at Redding Street. We are asking that you please do not walk up to the door of the building to meet your walker.

School bus riders: Pick up at door #10 near the cafeteria.

All students who are not picked up by 3:15 will need to be picked up by a parent at door #1. Parents will have to come into the building to sign out their child.
