What campus will the current Collegiate teachers and administration staff be placed next year?

It matters because the staff and administration of Cedar Hill Collegiate are what makes Collegiate what it is, and that should not be disturbed.

Is administration still working on starting a swim team?

This is important because my scholar is a swimmer and the only school we can transfer to is private and that doesn't make sense.

Is there a set path for students currently in the ECA program that is currently at Cedar Hill High School. If so, where can I find this pathway.

If there is no clear set pathway, then students there may come up short and miss out on opportunities.
